Subject: schedule call re contingency measures for Portola PM2.5

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi –

Let's schedule a call to check-in on where we are with addressing the Portola contingency measures. I expect we will only need 30 minutes for the call but let's block longer just in case.

I am also attaching a couple documents that Jeanhee also shared on Oct 1. In CBD's motion for summary judgment, they request that the court order EPA to issue a proposed rule on the Portola PM_{2.5} contingency measures no earlier than February 28, 2021. We don't know whether the court will agree to that date or suggest an earlier date.

Please let me know your availability for all of the following:

Oct 18 10-11
Oct 18 1-2
Oct 21 1-2
Oct 28 10-11
Oct 28 1-2
Oct 28 2-3
Oct 30 11-12

Thanks
